P F Fortune 20th—A bull that is rather young, but could be used on heifers. This calf isn't too fat, as he had to make it on his own when quite young due to an injury to his mother. His dam was champion female at the All-Iowa Fair and third at the Iowa State Fair. The dam's sire was 2nd prize senior calf and also second senior yearling at the Iowa State Fair, and champion at the All-Iowa Fair. A bull that will always look better.
